

Side-Out Ambassador Program 2014 Winners

Students are at the heart of all Dig Pink events. Their passion and enthusiasm unites teams, schools and towns, and the results of the efforts provide continued support for a research trial benefitting patients with stage 4 (metastatic) breast cancer. The Side-Out Foundation is proud to recognize outstanding students for their community service and commitment to the cause. The Side-Out Foundation Ambassador Program (SOAP) congratulates the promising young women below, the 2014 Ambassadors!

Ambassadors

Rachel Magnuson

Rocky Point High School
Rocky Point, NY
